Project proposals for 2014: Want to explore what's there for you?

EUCEN has designed its 2013 Autumn Seminar around the forthcoming Call for proposals under the new Erasmus for all programme. It will be a space to explore what is there for Higher Education Institutions, which are the topics or areas of interest for our community and find colleagues who would be interested in joining your ideas. The Seminar will be held in **Brussels, Wednesday 16 October 2013** (Venue: Fondation Universitaire, rue d'Egmont 11 – 1000 Brussels).

Vanessa Debiais from the Directorate General Education and Culture will present “*Erasmus for all: How will the new programme serve ULLL?*”

Monica Menapace from the Directorate General Research and Innovation will present “*Towards Horizon 2020. New funding opportunities for research in LLL?*”, which we expect will bring new perspectives to participants to the seminar.

The rest of the seminar will be dedicated to work in groups and develop ideas for the next calls. Full programme at <http://autumn2013seminar.eucen.eu/programme>

The coffee break area will have a dissemination space and a panel that participants can use to make announcements. This dissemination activity will start the afternoon before (Tuesday 15 October). Bring along your posters, dissemination materials and ideas. Put them up in the dissemination area. Find out about your colleagues' ideas.
