Background

- The French UCE Network was founded as a non-formal network in 1981. It was transformed into formal association in March 2004.
- Every French university is represented in the association.
- There is no membership fee but universities must pay 900€ per year to access services.
- The association has a Steering Committee with 12 members.
- The network has a national recognition at institutional level: Ministry of Higher Education, trade unions, employers' federations...

Focus

The Network focuses on its main missions:

- The representation of universities for all UCE issues, especially at national level (Ministries, Conference of rectors, professionals' organisations, Unions...)
- The centralization and communication of information on LL
- The promotion of all kind of exchanges between its members
- The support of specific research activities on new trends in UCE and ULLL
- The organization of actions and courses in order to develop ULL

Core activities

- Two general meetings per year and one national conference each year (with an average of 300 attendees)
- Meetings and contacts with main actors in the field: government, trade unions...
- Many working groups on various subjects proposed to members (e.g. in 2015: on Long distance learning, Work-based learning, on RPL, on management tools and information systems for the UCE, on seniors, on ULL, on Quality in ULL and on ICT and LLL, research projects)
